

St Norbert College VS Ursula Frayne Catholic College - Netball Semi Final – 27 July

It was a very fast game with both teams going out hard in the first half, with **Gigi Armenti and Paige Hale** trying hard to move her feet around and block out their shooters from receiving the ball. **Zeta Stevens** working hard with Matilda Seroney to get the ball up and in the hoop to add points to the score board. Our mid court **Courtney Fitzgerald, Lachauntae Eades and Melody Mancuveni** putting lots of pressure on the Ursula team with consistent pressure down court and great feeding up the court.

Unfortunately, we finished the first half down by 13. We then came out even harder in the second half in an attempt to get the score our way, we made some changes switching Zeta Stevens down to defence to apply more pressure on their shooters, Melody Mancuveni into shooter where she did a fantastic job moving around, receiving the ball to then give to Matilda to put up and in. We had **Holly Giles** our little pocket rocket run in centre, receiving and giving the ball beautifully, this was our better half but Ursula proved too strong and got away with the win. The girls should be commended for making it this far into the competition, equalling their best ranking in the competition – great season of netball!
