

START YOUR CAREER JOURNEY

Today you are beginning your career journey that will be built on over the next 3 years.

Some students in Year 9 (and 10, and 11 and even Year 12) don't know what they want to do yet ... that's ok ! That's not unusual.

The process needs to start with some exploration, consideration and research and it is important to know how and where to do some research.

As subject selection is happening over the next few weeks, this is a good time to start thinking.

Using the worksheet **EXPLORING YOUR CAREER** and the yourcareer.gov.au website, fill out this worksheet and submit it to Elena – this will help her to help you when you are ready

LET THE JOURNEY BEGIN!!
