

3 September 2024

Dear Parents and Caregivers,

Subject: QGSSSA Track and Field Championships Support

Anticipation is mounting as we approach the 2024 QGSSSA Track and Field Championships, now just one week away. Our team has been preparing diligently, and there is a strong sense of positive momentum as we enter the final week of preparation.

To continue our commitment to school spirit and demonstrate our strong sense of community, all students in years 7 – 12 are expected to spectate and show their support for the 2024 QGSSSA Track and Field Team. This provides our students with the opportunity to join the 'Croc Squad' and unite as one in the green, gold, blue.

Additionally, house leaders will award 1 HOUSE POINT to each student attending, contributing to the 2024 House points tally towards the Champion House award.

The championships are scheduled for Thursday, 12 September 2024, at the Queensland Athletics Centre (QSAC), Kessels Road, Nathan, commencing at 8:30am and concluding at 3:00pm. This event will feature athletes from the ten QGSSSA schools competing for the prestigious Stephens Cup (aggregate) and Del Mellefont Trophy (percentage).

To ensure the smooth transportation of students to and from the venue, students are asked to meet House leaders in the Assembly Hall for departure by bus at 8:30am. Bags will be safely locked in the Assembly Hall and collected on return to the College at approximately 3:00pm.

Please refer to the Key Information enclosed for further details.

Let your light *shine*
