

With Sincere Thanks

St James Catholic Primary School & Parents Association would like to extend our gratitude to the following school family & local business supporters who donated so generously to ensure our 2017 major fundraiser was a success. We have been once again overwhelmed with support from the St James family and many local businesses.

Again we would like to recognise our talented artists Jane Kanizay, Maddi Stamer and Fleure Vaslet their artworks were amazing and highly sought after.

Thank you also to the families who helped with the event preparation including Jane Kanizay for her fantastic silhouette paintings that helped transform the hall and as always thank you to our resident photographer Denise Wong for capturing some snaps of the occasion. Also to all the dads who helped with the event set up not to mention the many families who turned up to help with the clean up on Sunday.

A big thanks also to Ange Franich and Imelda Cuaresma for their assistance with our event administration and to Miss Hislop for overseeing the Foundation and Year Six's artwork pieces they were both exquisite. Heart felt appreciation to Mr Buckley, Mrs Busch and Miss Chapman for being so flexible and in making their rooms available for our use.

Finally a huge thanks to Mr Flanagan, Mr Buckley and the St James teachers for donating their time for the ever popular Kid's party .
