OUR UPCOMING EVENTS.

Early Offer Applications Close 30th September 2021

Murdoch has introduced a Year 12 Early Offer Scheme as an entry pathway for those students graduating in 2021.

Applications are open now for students to apply directly through Murdoch for 2022 enrolment. The Safety Net offers a number of pathways for students, including using Year 11 ATAR subject results, Certificate IV and English Language Competency, Portfolio application, TLC110, Flexi-High, or direct application to a Murdoch Enabling program.

Students who meet eligibility requirements will be able to receive either a conditional offer to Murdoch commencing 2022.

**Please note Veterinary Science and Nursing is excluded from the Early Offer Scheme and students applying for these courses must still apply through TISC.*

To apply for an Early Offer, click here!

Mature Age Information Evening

It's never too late for a change. If you're over 20 and ready to explore your uni options, join us to find out how you can start studying in 2022.

SCHOLARSHIPS & AWARDS

MURDOCH UNIVERSITY

CLOSING SOON!
REMINDER TO UNIVERSITY
APPLICANTS!

WESTPAC YOUNG TECHNOLOGISTS SCHOLARSHIP

Are you passionate about technology? If you are starting a tech-based undergraduate degree in 2022, you could be eligible for a scholarship valued at \$15,000 from Westpac Scholars Trust. There are multiple scholarships to be awarded, across a wide range of degree programs.

The Westpac Young Technologists Scholarship is open to school leavers who have graduated in the last year and are eager to explore positive change through technology.

SCHOLARSHIPS AWARDED FOR 'SHECODES' NEXT PROGRAM

The Science Outreach team, in partnership with SheCodes and SpaceCubed, were delighted to offer eight, fully funded scholarships valued at \$3200 for female students to attend the SheCodes Next Program. The one-week full-time tech taster, to be held in the upcoming September school holidays, involves exploration of coding as a career by connecting young women with inspiring role models and mentors.

CONGRATULATIONS TO OUR COMPETITION WINNERS!

College)

Matilde Granado Pires Moreira (Seton
Catholic College)

Nidhi Matta (Canning Vale College)

Rufina Pinto (John Curtin College of the Arts)

OUTREACH TEAM

NATIONAL SCIENCE WEEK SCINTILLATING SCIENCE QUIZ

As part of 2021's National Science Week celebrations, the Science Outreach team and Student Ambassadors hosted The Scintillating Science Quiz competition for Year 9 and 10 students. More than 3,500 students from 28 metropolitan and regional schools participated in the month-long event, answering questions on the science/mathematics school curriculum, science in the media, science in the wild and the science of food (the national theme for 2021).

Willetton Senior High School claimed first place as the metropolitan winner and will experience the Live & Explosive Science Show at their school in Term 4. Georgiana Molloy Anglican School claimed first place as the regional winner and have been awarded funding to travel to Murdoch University for a STEM excursion and on-campus performance of the Live & Explosive Science Show.

Congratulations to all students for participating and celebrating National Science Week in 2021.
