YOUR NEW PRESTON STATION IS OPENING

MON
5 SEP

Your new Preston Station will open and trains will run on the Mernda Line from Monday 5 September.

Over the coming months, works will continue around the station precinct. The new drop off and pick up zones, and the station car park will open by late October 2022.

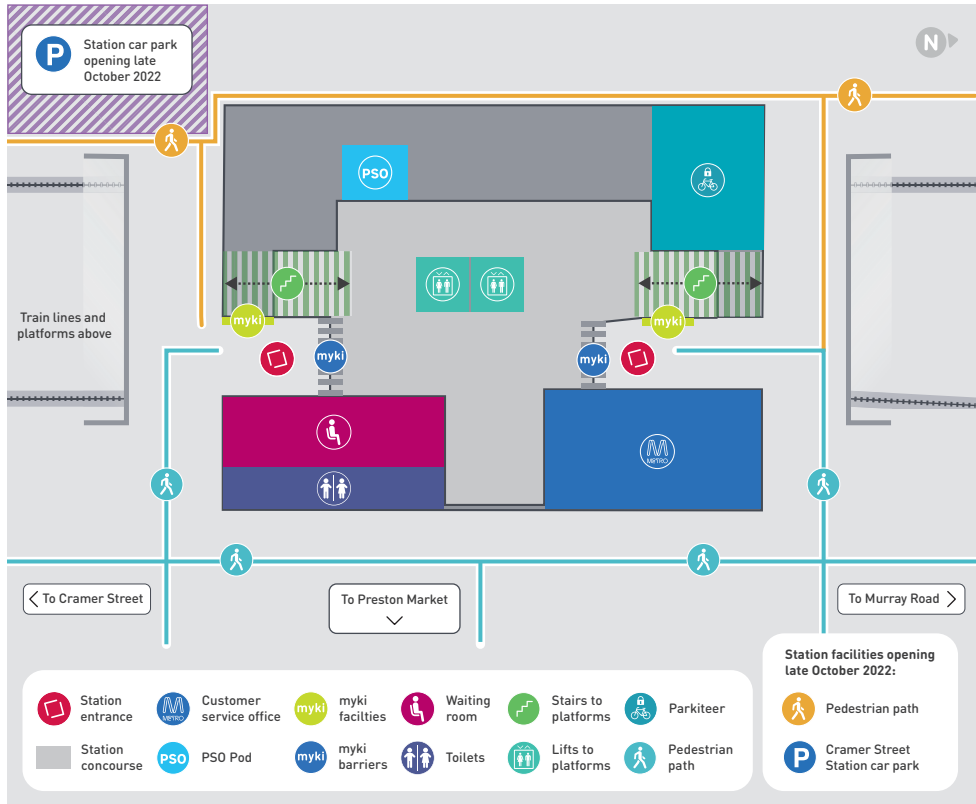

New open spaces and shared use paths will be ready for locals to enjoy in 2023.

Brand new station facilities include:

- Stairs and lifts to the platforms providing improved accessibility access
- Waiting room
- Customer service and toilet facilities
- Parkiteer bicycle cage and bike hoops
- Protective Services Officers pod (PSO)
- CCTV and improved lighting
- Sheltered seating on the platforms

YOUR NEW BELL STATION IS OPENING

MON
5 SEP

Your new Bell Station will open and trains will run on the Mernda Line from Monday 5 September.

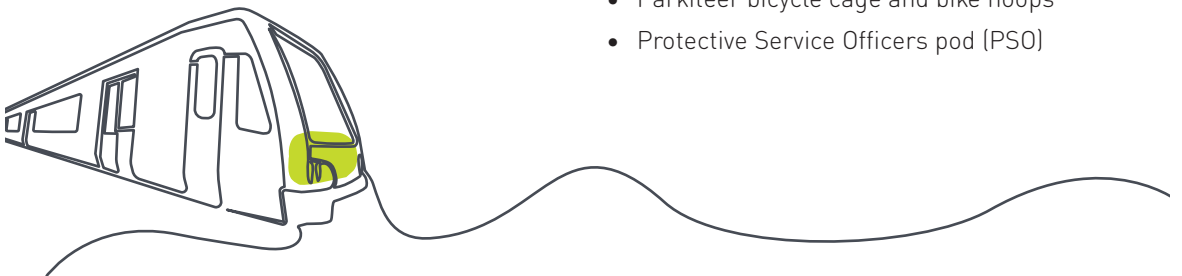

Over the coming months, works will continue around the station precinct. There will be no lift access to the platforms until October 2022.

During this period, a shuttle bus will run from Bell Station to Preston and Thornbury stations for passengers who need lift access to the platforms.

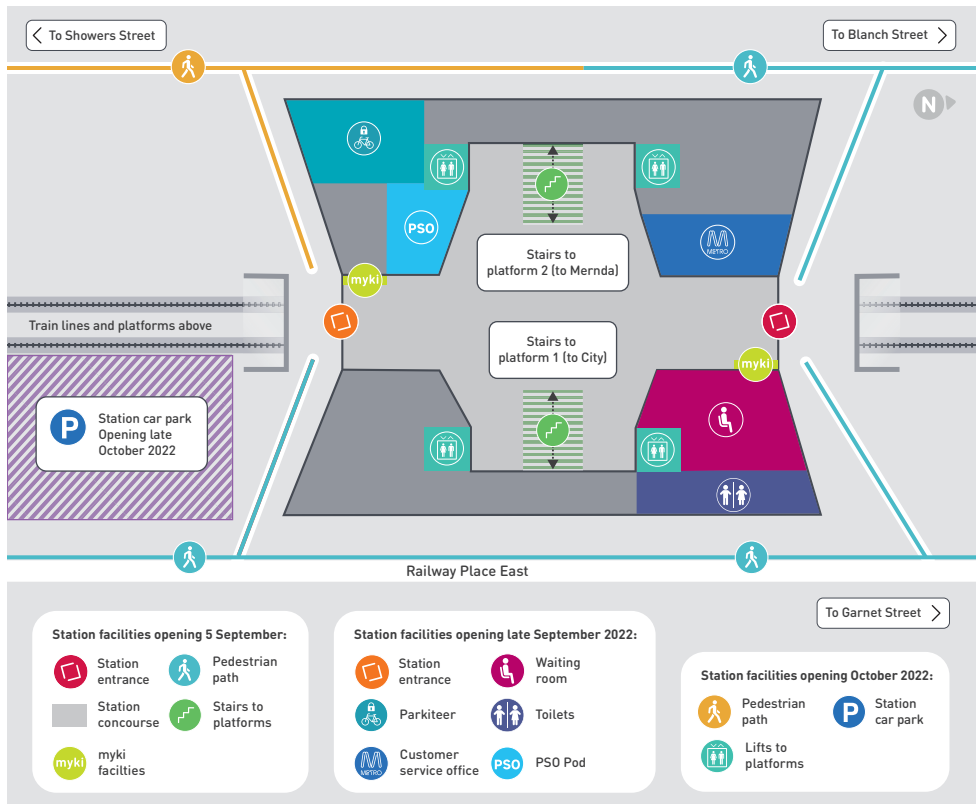

New open spaces and shared use paths will be ready for locals to enjoy in 2023.

Brand new station facilities include:

- Stairs to platforms
- CCTV and improved lighting
- Sheltered seating on the platforms
- Lifts to platforms providing improved accessibility access
- Customer service office and toilet facilities
- Waiting room
- Parkiteer bicycle cage and bike hoops
- Protective Service Officers pod (PSO)
