## What's been happening...

At South Melbourne Osh Club, we inspire curiosity, foster creativity, and support discovery with a variety of activities -rich spaces at our service. With five different zones that encourage children to experiment learning experiences and support their development:

**Zone 1:** Main Room, with plenty of Creative/ Exploration (arts, crafts, visual arts & culture) & Hygiene, Health and Wellbeing.

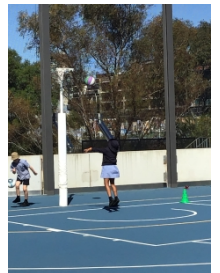

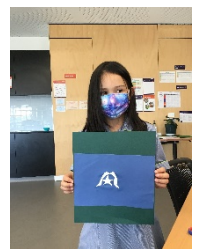

**Zone 2:** Foyer area, with Investigation (cooking & science)

**Zone 3:** Balcony with Cognitive Construction & Expressive/ Social (music, drama)

**Zone 4:** Basketball Courts with Sport/ Physical (group games, fixed equipment, obstacles)

**Zone 5:** Playground

For us it is important to consider the educational environment provided in our service, and children's learning experiences.
