

Young Carers

Helping you to enjoy life and reach your full potential.

You might be young but that doesn't mean your role as a carer is any less stressful or overwhelming.

Unlike other people your age, finding time to do your school work, socialise or to just be a kid can be a challenge.

That's where we come in.

Our Young Carer's program can help with your day to day tasks, allowing you to take a bit of a break.

This can include:

- Help with showering or dressing the person you care for
- Help preparing meals or cleaning your house
- Taking you to appointments or the shops
- We can look after the person you care for in your home or a respite home
- Take you to fun, social events.

While we only offer short term services, we can provide referrals to long term support.

How do you know if you're a carer?

Ask yourself, do you ever:

- Help take care of someone in your home
- Worry about leaving the person you care for at home, alone
- Get a sore back from lifting the person you care for
- Feel like you sometimes don't get to do regular stuff with your friends
- Feel too tired to do school work.

If you answered yes to any of these, then get in touch.

Now I'm supported, my future looks brighter.

Here at VMCH, our services are as diverse as the people we support.
