## Walk Against Youth Violence - Sunday 24<sup>th</sup> September

We are excited to announce that The White Knight Foundation will host the third annual Walk Against Youth Violence on Sunday 24th September 2017. In 2017 we are hoping to have over 250 walkers join us on the 10km Spit to Manly walk with a meeting time of 8:00am for an 8:30am start. Make sure you share this invitation with your family and friends to get them out on what will be an awesome Sunday morning! The walk will finish at Manly Wharf at approximately 10:00am with a free BBQ for all walkers. There will be a short presentation following the walk so make sure to stay around.

In 2016 the Foundation managed to raise over \$10,000 to assist young victims of crime along with raising awareness on the issue of youth violence and the devastating impacts it leaves.
