

Uni Step-Up is your chance to get a head start on university by studying two first year units while you are still in senior secondary school. You'll develop connections with current students and staff while experiencing study at a tertiary level. The program is funded through the Higher Education Participation and Partnership Program (HEPPP). Uni Step-Up is delivered at no cost to eligible students.

WHY SHOULD YOU ENROL IN UNI STEP-UP?

- **Receive credit for a university degree:** get credit for related undergraduate courses at ACU.
- **There is no charge:** complete two university units HECS free.
- **Get a head start for university:** test out a subject area and develop your skills in academic writing and referencing.

- **Small group size:** class size is limited to ensure you have regular access to guided mentoring from current university students and staff.
- **Pathway to further study:** participants who successfully complete two Uni Step-Up units may be eligible to receive an unconditional direct entry offer to a mapped ACU course.

ELIGIBILITY

Entry into Uni Step-Up is competitive, to apply you must:

- attend an ACU Widening Participation partner school
- OR
- live in a remote or regional area
- OR
- identify as Aboriginal or Torres Strait Islander.

WHEN?

Uni Step-Up is delivered online, one night per week during term times. Semester 1 starts 13 March 2023. Semester 2 starts 14 August 2023.

Each semester is taught over 10 weeks, with a two-week exam period to conclude the unit. You will be required to log in to a live tutorial of one to two hours and watch a pre-recorded two to three hour lecture each week.

To be successful in the Uni Step-Up program you will need to set aside approximately 10 hours per week during the semester for personal study in addition to the one to two hours of class time. This time is when you'll complete set readings, write your assignments and revise for exams. This is in addition to your regular school study.

Student Orientation 2023
We'll email you once you have enrolled in Uni Step-Up

Uni Step-Up: Business (Online)

Become a business leader who is an independent thinker, global in outlook and practical and ethical in the application of skills.

UNIT 1

UNIT	DATE	ASSESSMENTS	PATHWAY TO
BUSZ104 Money Matters	Week commencing 13 March 2022 at 5pm – 7pm (QLD)/6pm – 8pm (VIC/NSW)	1. Online quiz 2. Report 3. Case study response	Bachelor of Accounting and Finance Bachelor of Business Administration Bachelor of Commerce Plus a number of double degrees are available.

The aim of this unit is to introduce accounting and financial management skills in a non-technical way so you will be able to develop financial and accounting literacy as a life skill. Without knowledge of ethical accounting and financial analysis skills the business world could collapse. This unit will provide a non-specialist grounding in accounting and financial management so that you can appreciate the financial dimensions of decisions within business. The unit will enable you to understand the impact of economic transactions on a business' financial and operating capability as well as to recognise the use of accounting information in decision making without getting bogged down in the mechanics of the system. Building on this, you will develop fundamental financial planning and forecasting skills so that you can utilise these skills in life or in business.

UNIT 2

UNIT	DATE	ASSESSMENTS	PATHWAY TO
ITEZ100 Information Technology Professional Skills and Practices	Commencing the week of Monday 14 August 2023. Specific dates and times are TBC.	1. Weekly quiz 2. Report 3. Portfolio	Bachelor of Accounting and Finance Bachelor of Business Administration Bachelor of Commerce Plus a number of double degrees are available.

The aim of this unit is to enhance your knowledge of technology and its impact on people, the environment, work and society and to develop skills in using technology to contribute positively to the effective operation of the workplace. You will explore the impact of technology and information systems on the workplace. You will also develop knowledge of different applications of technology including the role of information systems in organisations, big data analysis as an input to managerial decision making, the changing nature of communications and the potential

Please note this information may be subject to change.

FREQUENTLY ASKED QUESTIONS

Will I be enrolled as a university student?

Yes! You will be welcomed as a student at ACU. We will set you up with a university student ID card, university email, and access to ACU's online learning platform. You will have full access to support from academic skills team, library staff, counsellors, and peer mentors.

Will there be an exam?

University unit assessments can include multiple choice quizzes, short answer questions, essays, and exams. You will be guided and supported through all of your assessments during your study.

Who will be in my classes?

You will be in a small class with other Year 11 students. The class size is kept small to ensure that you can get to know other students and receive close support from university staff and peer mentors.

Do I need to buy any textbooks?

No. Any required learning resources will be supplied for you as part of your enrolment in the program.

What if I change my mind and don't want to continue?

It is ok to change your mind during your studies – that is often part of the journey as we learn about our interests and goals for the future. Once you commence the program, we will be there to support you, but if you do change your mind, you can exit the program early without any cost or academic penalty.

Do I need to attend every day?

Your attendance at every session is important. Please check that you are available to participate in each session.

How does Uni Step-Up help me to gain entry to ACU?

By completing the Uni Step-Up program, you may be eligible to receive an early offer to study at ACU.

- You will need to pass both Uni Step-Up units to be eligible to receive an early offer.
- The better you do in your Uni Step-Up studies, the better your chances of receiving an offer to your course of preference.

I am not sure if I should apply?

Uni Step-Up offers you a unique opportunity to try out university study before completing your schooling. Chat with your teacher and parent/guardian about your readiness to take on this extra challenge.

APPLICATIONS CLOSE

5pm on Wednesday 22 February 2023.
