Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents/guardians should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent.

In the case of an excursion not involving an overnight stay, costs incurred as a result of accident or illness is the responsibility of the parent/guardian.

The school camp/excursions insurance policy applies for approved camps/excursions involving an overnight stay. The policy covers students to a maximum of \$50,000 for medical and ancillary expenses where Medicare or private insurance does not cover these costs.
