Essendon North TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

At TeamKids over the last two weeks we have made Diabetes chocolate cupcakes and gluten free choc balls in Cooking Club; air dry clay creations and egg carton poppies in Art Club; we made a volcano explosion in STEM Club and a group of kids have been learning chess and Science as part of our Kids Unlimited extra curricular program. We also celebrated Halloween with a funny spooky party.

Starting Monday 9 November, TeamKids will be going Tech-Free! This means children will have more opportunities to enjoy outdoor play, stay active, build friendships and interact with their peers through fun, engaging activities. We look forward to seeing them make the most of their time together!

Next week we will be getting the children to vote on who they want to get dunked at the movie night. Every afternoon the kids will vote for either Bailey or Archie to get dunked. Some are more excited than others, and it will be such a fun night to be involved in.

Each Friday our TeamKids badge winners are announced who have displayed one of our five TeamKids qualities; Innovative, Involved, Genuine, Fun and Remarkable.

Week 5	Week 6
Innovative – Orseen	Innovative – Grace
Involved – Leo L	Involved – Mia N
Genuine – Noah H	Genuine – Connie F
Fun – Darcie	Fun – Abigail C (Y4)
Remarkable – Benjamin	Remarkable – Olive
