

### Dates to Diarise in Term 3

- **University / TAFE Open Days 2023** – throughout August
- **Year 12 VTAC timely applications** – throughout August and September
- **VTAC SEAS and Scholarship applications** – throughout August and September

MONASH University

### News from Monash University

#### ➤ Experience Day Workshops

*Calling all Year 10-12 students; explore your curiosity and creativity in Fine Art, Design and Architecture at Monash!*

Year 10 – 12 students are invited to participate in one of these hands-on experience days workshops, to gain a better understanding of different art mediums, design thinking approaches, and architecture studios at the [Monash Caulfield campus](#). Students will find out what it is like to be a student for a day, meet the staff and explore the workshop spaces they would get to work in as a student at Monash.

<b>Tuesday 26 September</b>	Fine Art - Drawing into space
<b>Wednesday 27 September</b>	Design and Architecture studio workshops

Find out more and register at [Experience Day Workshops - Art, Design and Architecture](#).

#### ➤ Discover Monash

Monash University will be hosting the remaining [Discover Monash](#) events or activities over the coming weeks. Unless specified online\*\*, these will be face-to-face events.

Participating in one or more of these events will assist students in making informed choices about their study options after Year 12.

Register at [Discover Monash](#).

<b>Discover Engineering</b>	Tuesday 5 September, 6.00pm – 7.00pm
<b>Discover Music</b>	Thursday 7 September, 6.30pm – 8.00pm
<b>Discover Politics, Philosophy &amp; Economics and Global Studies</b>	Thursday 14 September, 6.30pm – 8.00pm
<b>Peninsula Campus Tour</b>	Thursday 21 September, 10.00am – 11.15pm
<b>Caulfield Campus Tour</b>	Thursday 21 September, 2.00pm – 3.15pm
<b>Discover why Studying IT is right for you!</b>	Wednesday 27 September, 6.00pm – 7.00pm
<b>Clayton Campus Tour</b>	Thursday 28 September, 10.00am OR 2.00pm

### ➤ **Pathway to Engineering**

*The Monash Bachelor of Science can be used as a pathway into graduate Engineering at Monash. If you love science and also have an interest in engineering, keep your options open and be on track to earn both a Bachelor of Science and a Master of Professional Engineering.*

Students keen on studying science but also hoping to keep engineering as a possible career option, can choose up to **four** Engineering Foundation units to study as electives in the second and third year of their science degree. Students can choose from one of the [five engineering masters specialisations](#) select the Engineering Foundation units that relate to the discipline/s they are interested in, and that will enable them to fast track their Masters.

In the final year of their science degree, provided the entry requirements are met, students can apply for graduate entry into the Master of Professional Engineering. The successfully completed Engineering Foundation units can be credited to the Master of Professional Engineering and students can commence their Masters in either the start or midyear intake and be on track to complete their engineering masters in 2.5 years instead of 3 years.

Find out more at [Graduate entry - Master of Professional Engineering](#).

### **Westpac Young Technologists Scholarships**

*We partner with universities, Westpac, and the community to invest in the individuals with the ideas and drive to shape Australia.*

Westpac offers the [Young Technologists Scholarship](#) which is designed specifically for high school graduates who are passionate about studies in STEM and are eager to explore its potential for good. Recipients receive \$20,000 over three years to really inspire their thinking but are also assisted in developing into a strong leader through the Disruptive Leaders Program, which includes five days in Asia as part of an international learning experience (pending no travel restrictions). Recipients of this scholarship also have access to paid internships and inspiring mentors. Best of all, they become a lifelong member of the Westpac 100 Scholars Network: an inclusive group of some of the brightest young minds in Australia.

The Westpac Young Technologist Scholarship program is offered at following universities:

- Murdoch University
- Queensland University of Technology
- RMIT
- Western Sydney University
- University of Wollongong

**Applications open in September 2023 and close in January 2024. Students are urged to browse [Westpac Young Technologists Scholarship](#) to find out more.**

## **RMIT UNIVERSITY School Holidays Campus Tours**

*In the upcoming September holidays, RMIT will be hosting campus tours for high school students across the City, Brunswick and Bundoora campuses. These would be worth registering for, particularly if students missed the recent RMIT Open Day.*

<b>City Campus</b>	18 September and 27 September, various times	Register <a href="#">here</a>
<b>Bundoora Campus</b>	20 September, various times	Register <a href="#">here</a>
<b>Brunswick Campus</b>	22 September, various times	Register <a href="#">here</a>

## **A Day in the Life of a Swinburne Student**

Students in Years 9 – 12 are invited to visit the Hawthorn Campus and experience the university first-hand. With talks, presentations, hands-on workshops into future study areas and more, there is no better way to feel prepared for university life. There are four days so students can register for the one they are most interested in. They will all run from 9.30am – 3.15pm.

Tuesday 19 September	STEM (Science, Engineering, Information Technology)
Wednesday 20 September	CREATIVE (Design, Media and Communication, Film and Television, Games and Animation)
Thursday 21 September	HEALTH (Psychological Sciences, Health Science BUSINESS (Sports Management, Innovation, Entrepreneurship)

Find out more and register at [A Day in the Life of a Swinburne Student](#).

**CONCRETE  
INSTITUTE  
of AUSTRALIA**

## **Careers in Construction & Engineering event**

*Are you a budding engineer early in your career or studying? Come along to this free careers event on **Wednesday 20 September** at **Swinburne University Engineering Building** to hear from industry experts for tips and tricks to help kick-start your career.*

You'll learn what future employers look for when recruiting, and some young engineers will share their experiences since starting out in the industry. You'll also get the opportunity to ask questions in small groups with seasoned engineers for real life stories.

Presenters include recent graduates, recruiter of graduates, key note speakers and CIA.  
**Details including the complete event program at [Careers in Construction & Engineering](#).**

## Psychology Degrees in Victoria in 2023

Psychology is a popular field of study in Australia and is taught at universities in every state and territory. With diverse workplace settings and areas of expertise, psychology can be a highly rewarding and satisfying career choice. Psychologists who complete postgraduate studies in specific areas of psychology may be eligible to receive area of practice endorsement from the Psychology Board of Australia.

Find out more at [Australian Psychological Society \(APS\) - Careers in Psychology](#)

Students are reminded that, for the most part, the only VCE prerequisite subject for university entry is an English. Students should verify this at [VTAC](#). Please note that after completion of an APAC accredited undergraduate degree, a further minimum of three years education and training in psychology is required to register as a psychologist in Australia.

Victorian universities that offer dedicated [APAC - Accredited](#) undergraduate psychology degrees include:

UNIVERSITY	COURSE	ATAR 2023
