

# College Uniform Update

As the College transitions to a new sub-school structure, we will also commence the process to streamline the current student uniform with a new supplier (Dobsons) in May 2024. Our current supplier (Noones) will be able to supply most of the required school uniform items until this changeover.

Rather than three variations to uniforms over the course of a student's journey at GNLC we will move to two variants, one for Primary Years and one for Secondary Years. To minimise the effect on families the College will provide a significant changeover/transition period with some new items being added in 2024. This means any garments currently purchased and worn by students can be worn until the start of 2026.

Primary uniform changes will be minor, so in 2024 new Prep families can purchase current uniform items for use until the start of 2026. Year 6 is a uniform transition year between Primary and Secondary. In 2024 Year 6 students can wear the current Primary uniform, or it is optional they can wear the Secondary sports uniform for PE days. They can also wear the current Middle Years uniform (without College blazer or tie), but this needs to be worn as a complete uniform (ie no mix and match with Primary uniform)

We also wish to inform families who may be purchasing a blazer for their child commencing in Secondary Years (7-12) that once we changeover to our new uniform with the new logo, there will be an option to have the pocket replaced, for a small fee, which will update the blazer with the required logo from 2026. Dobsons will have a supply of new blazers with new logo on the pocket from May.

For questions regarding uniform changes please email [schoolboxhelp@goodnews.vic.edu.au](mailto:schoolboxhelp@goodnews.vic.edu.au)
