

GRADE 3 CLASS NEWSLETTER

TERM 2, 2025

FROM THE TEACHERS...

Welcome to Term 2!

We hope you all had a beautiful Easter holiday and managed to enjoy some family time together.

We are hitting the ground running this term full of exciting learning experiences! Please make sure to check the important dates below as we also have lots of different events happening this term.

This term, Show and Tell will look a little different. Instead of preparing something at home, students will be given the opportunity in class to reflect on their learning in Mathematics and English. This will help them develop confidence in sharing their learning experiences and achievements with their peers. However, if your child has something special, they would like to share, we will still make time for them to present it to the class.

We thank you for your continued support and encourage you to contact your child's teacher if you have any questions about the term ahead.

Kind regards,
Molly, Martin and Alice

OUR TERM 2 LEARNING INTENTIONS
