

WEEKLY EGG RAFFLE

Welcome to our Stephanie Alexander Kitchen and Garden Program for 2020

The eggs from our chickens will be used in the kitchen for cooking classes and the OSHC breakfast menu.

Surplus eggs will be made available to interested families through a raffle system for \$4.00 **payable after raffle**. The money will assist with the upkeep and feeding of our hens.

If you would like to be part of this raffle please complete this form and place it in the BLUE box in the office foyer.

If there are surplus eggs and you are successfully drawn out, a student from the Environment Committee will notify you. Eggs can then be paid for and collected from the school office.

A second box (Red) will contain used tickets for the next round of draws.

****** Raffles will only take place in the event of surplus eggs******
