Welcome to the Vibrant Koonung Community

Be Part of the Fun

We host a variety of engaging events, fundraisers and special projects such as enhancing outdoor spaces, all designed to bring everyone closer together. But we need your creativity and enthusiasm! We're calling on more parents to share their ideas and lend a hand at our events.

Let's Build a Stronger Community Together

By participating, you'll help create memorable experiences and foster a sense of belonging among our families.

Join us and make a real difference! For more information, please reach out to pfa@koonung.vic.edu.au.

We look forward to hearing from you.

Kind regards

This is one of the most popular events in the PFA calendar.

It's a great opportunity to celebrate and show gratitude to all the mothers, grandmothers and carers in our lives. The PFA host a breakfast from 8am to 9am with a wide selection of food donated by families and the local bakery, along with fresh coffee/tea/juices.

One of the special moments are the speeches made by some of the student leaders sharing their story about the special 'mum' in their lives. Activities are also set up around the room and we host a raffle with door prizes.

World Teacher's Day - October

Go to <https://worldteachersday.edu.au/> because the date in Australia may be different to international dates

Our teachers are one of the most important part of our kids experience in their school lives.

Let's make a special effort to thank the teachers and staffing team at Koonung.
This event runs during morning tea break for the teachers.

Koonung Day - October

This event is run on the last day of Term 3 between 10am-12noon to help the students and teachers celebrate. The PFA help run some fun activities such as tug-a-war, pie-face and a water balloon game. The main theme is fun, fun, and more fun.

Booksale - December

This is the biggest logistical event in the PFA calendar. The families at Koonung really appreciate the opportunity to buy books at discounted prices, a great fundraising opportunity and it is a great initiative for our environment too.

The coordination of this event spreads over a few days. The first job is to collect, tag and register the secondhand books. Then the actual event day on Saturday is a hectic and exciting time as families queue up to purchase books. And then we have a day after the event to do a reconciliation and update the register to return any unsold books.

Year 7 Orientation - December

Welcome to all the parents and carers of Year 7 students as they attend the school orientation day.

The PFA host a morning tea from 8.30-10am to provide an opportunity for everyone to connect with teachers and parents/carers experiencing the exciting world of high school.
