

Seasons for Growth

CHILDREN & YOUNG PEOPLE'S PROGRAM

**Seasons
for Growth®**

An innovative grief

and loss program that
uses the imagery of the
seasons to illustrate the
experience of grief.

The program was first
developed 20 years
ago and has been
revised and updated
to incorporate new
evidence and ensure
that it continues to
provide relevant and
valuable experience for
participants.

It does not provide
counselling or therapy.

What does it do?

Seasons for Growth aims to strengthen the social and
emotional wellbeing of children and young people (aged 6-18)
who are dealing with significant life changes by:

- Exploring the impact of the change and loss on
everyday life
- Learning new ways to respond to these changes

Who is it for?

Anyone who is living with the effects of change and loss. Many
factors can cause change such as:

- Friends can come and go
- Loss of someone or something you love
- Parents and families separate
- Moving to a new place
- Impact of illness
- Family work-life changes

Change affects everyone differently, as does grief. It's the
impact of the change, not the event itself that *Seasons for
Growth* focuses on.

We suggest that anyone affected by bereavement wait 6-12
months before participating in a *Seasons for Growth* program.

How does it work?

Seasons for Growth is a small group program that combines psychology and education with peer support, within a person centred learning approach. It uses the metaphor of the seasons to explore the cyclic nature of grief, and is underpinned by William Worden's tasks of grieving. The Children and Young People's program contains developmentally appropriate discussions and activities. *Seasons for Growth* normalises participants' experiences, and can increase protective factors (including building personal resilience and social skills) while minimising some risk factors (including isolation) that influence mental health and wellbeing. The program also supports the development of communication, decision making and problem solving skills.

How is it delivered?

The Program is run over 8 sessions with small groups of 4-7 participants and is facilitated by trained adult "Companions". The participants are provided with a safe space to learn, share and reflect and are supported by richly illustrated participant journals. Companions may be school staff, agency staff, endorsed parent volunteers or other suitable adults who have undertaken a two-day training workshop and receive a subsequent accreditation for Good Grief Ltd to deliver the program.

Outcomes

Seasons for Growth provides the support and space for children and young people to:

- **Understand** that it is normal to experience a range of grief reactions

- **Build** communication, decision making and problem solving skills
