Once you allocate your bonus to an in-store purchase, an online purchase, or to school activities, it cannot be reversed.

But don't worry. If you have any unspent funds, or you don't use the funds you allocate to in-store purchases or online purchases, these funds will automatically be available on your child's school account as an activities credit on 1 July 2025. This will help cover the cost of things like excursions and camps.

To use your School Saving Bonus in store at your school's suppliers, click **In-store purchase** to access your bonus code. A bonus code will appear in written and/or QR code formats. Visit your chosen supplier and present the School Saving Bonus code, in either format, at the checkout.

Any refund or exchange will be handled using the supplier's existing policies and processes. Please note:

- a refund is not available through a parent/carer School Saving Bonus account
- a cash refund will not be provided.
