

# Moreland City Libraries

## Term 2, 2017

### Welcome back!

Visits to the Moreland City Libraries are available for primary schools throughout the year, including storytelling sessions and library tours. Class visits can be tailored to meet your classes' specific needs.

If distance is a problem, the library's Children's Services staff are able to visit your school.

A membership card is available for your school with the permission of your school principal. Please contact your closest service point for further details.

### 'Digital Shift' program

'Digital Shift' gives students aged 8+ the opportunity to use the library's computer space. This is a weekly program at Brunswick and Glenroy libraries. Children will learn about programming, problem solving, and collaborating with other children while having FUN! This program is free. All participants are required to hold a current Moreland City Libraries membership card with internet access.
