

# PORT MELBOURNE TEAMKIDS NEWSLETTER

## WHAT'S BEEN HAPPENING

Dear TeamKids Families,

Weeks 5 and 6 have been full of engaging, hands-on experiences that supported creativity, teamwork and skill development.

Our Cooking Club was a highlight, with jam donuts a huge success. Children were involved in every step of the process, practising kitchen safety while developing independence, confidence and numeracy skills through measuring and sequencing.

Our newly introduced knitting machine has quickly become a favourite. Children have been creating their own scarves in preparation for the cooler months, strengthening fine motor skills, patience and perseverance while taking pride in their handmade creations.

The "Cloud in a Jar" experiment sparked curiosity and excitement as children explored how clouds form. They made predictions, observed changes and shared ideas, fostering critical thinking and collaborative learning through science.

During TK Goes WILD Week, children enthusiastically participated in a range of active and nature-based experiences. The outdoor scavenger hunt encouraged teamwork and observation skills, while kite making and flying supported creativity and outdoor exploration.

The balloon stomp challenge was another energetic favourite, promoting collaboration, communication and positive team building.

It has been wonderful to see children confidently trying new experiences and working together with such enthusiasm.

We look forward to more exciting learning and fun in the weeks ahead.
