Around the Grounds

6A

A tough day for the boys who looked tired and lacked the desire to hunt and win the footy. Got hit on turnover and lacked second and third efforts. Time to reset and get ready for the last two rounds.

6B

We went out playing for pride this morning after losing our first round game to this team and the boys did not disappoint, wet slippery ball made things difficult but we adapted to the conditions once again utilising the small mids over the ball to work quick clearances down field, the lads found their structure after quarter time and improved in defence shutting Iona out for the rest of the game sealing the win with a 5 goal haul in the 3rd, massive effort again boys great work!!!

6C

It was a convincing win with the team bringing high intensity and strong effort right across the field. Felix was outstanding up front, working hard, creating chances, and leading the attack with a really strong performance. It was great to see everyone contributing, supporting each other, and maintaining the pressure all game to secure a well-deserved win.

6D

After a tough loss last week, the boys were fired up to get back on the winning charts. With consistent pressure and great teamwork, Eamon demonstrated his key skills to help the back line keep the Iona score to 0 and scored a goal in the forwards to extend our score. This result truly demonstrates how hard these boys have been working at training each week.

5A

A cracking game of football unfortunately had to end with one loser at that was us today. Couldn't be prouder of the efforts from the boys. The theme this week was believe, and this was evident all day. Congratulations to Bruce who received man of the match for his relentless efforts in the backline, strongly supported by standout players of Maxy, Jett, Riley and Hunter. A massive improvement from round 1, great to see!

5B

The Marist 5Bs faced a strong Iona side this week in a hard-fought game. The team showed great effort, especially in defence, and competed well throughout the match. Although the result didn't fall our way, our spirits remain high and we're looking forward to next week."

5C

Today's game started with a loss in the first quarter which left the 5Cs determined to fight back. They came alive at quarter time and showcased some fantastic defence and a steady accumulation of points. By halftime the boys had evened the score out, and by full time their consistent efforts had paid off, ending the game with a 10-point lead.

5D

The first half was very shaky. The boys went down a goal or two and dropped their heads. The coaches decided a big ASH chant might revive the team. That spark of genius worked, as the boys had a record breaking third quarter, starring Thomas Rigby, Flynn Julicher and goal sniper - Louis Vandeleur. The boys managed to hold on to a narrow lead in the 4th, eventually deciding to deliver the final blow before Pat's could regain momentum. The 5Ds are now undefeated (with their coaches present) and considering the first game was a trial/fluke game. The boys have come along way and that showed, conquering a Bs team as a humble 5Ds.
