

# State Schoolgirls 15s AFL Team 2018

## Talent Search

Are you interested in playing Australian Rules Football? Are you excited to improve and develop your football skills? Are you keen to represent Western Australia?

**Are you 15 years or younger? (as at 31/12/18)**

If you answered “yes” to these questions, then you should try out for the 2018 State Schoolgirls AFL Team. This year, we will be showcasing our talents in South Australia in late July against teams from Victoria, QLD, NSW, SA, NT and the ACT. For the first time ever, there will be a development squad selected alongside the travelling team, giving a host of girls the opportunity to develop and improve their football skills as well as possibly represent their State. Working closely with the WA State Academy, including having access to their full resources, girls will get a positive footballing experience and education, no matter their ability or the path they follow in the future. If you think this might be for you, details of our Talent Search days are below.
