

Book in a Box Presentation

'Book in a Box' is a chance to bring your favourite book to life by putting together objects that relate to your book and using them to tell the story of what your book is all about. It involves decorating a box and filling it with items that represent different aspects of a book, allowing for a creative and engaging way to showcase the story. This project includes decorating the interior and exterior of the box to reflect the book's themes, summarizing the plot and characters, and including objects that relate to the story, with accompanying explanations or quotes from the book.

The structure below will guide your presentation of your chosen book.

There is also a rubric below to help you along the way.

1. Choose a Book
2. Develop 3 research questions. Ensure these questions are not too simple but broad enough to get information. (How and Why questions for example, Why do I like this story/book? What is the purpose for the book? Where is it set? When was it written? Why was it written? Something about the characters)
3. Research your information Use the school or local library to choose a book.
4. Write your information in your own words. Use the summarising reading strategy to help you pull out the main parts and/or characters to present in your box.
5. Effective way to present your information in the box
6. Presentation to the class: Week 9, Monday 15th September 2025
7. Presentation to the wider community: Week 10, Monday, 22nd September from 2:15-3:00 pm - Open afternoon

Learning Intention: We are learning to use oral language and communication skills to speak in formal situations.

Task: Prepare a **1 - 2 minute** speech to present to your class in Week 9.

Topic: 'Book in a Box'

A Book in a Box presentation involves decorating a box and filling it with objects that represent different aspects of a chosen book. This project allows for a creative and engaging way to showcase a favourite story. The outside of the box should be decorated to reflect the book's theme, setting, or overall mood, while the inside may contain items that symbolise characters, plot elements, or important events in the story.

Students will also prepare a 1–2 minute speech that includes:

- Why is this book their favourite?
- Who are the main characters?
- What is the setting of the story?
- What is their favourite part of the book, and why?

Steps involved:

1. You will need to write a speech and then practice each day at home until you know it well.
2. Make palm cards and continue to practice with your palm cards.
