2023 'A Year in Images' Presentation

Principal's Address

Debby Chaves

Kokoda 2023

Marcela Ljusic

As we come to the close of another fantastic year at Beaumaris, it is with great pleasure and gratitude that we extend our heartfelt thanks to each member of our extraordinary school community. The achievements and successes we have witnessed throughout the year are a testament to the collective dedication, hard work and spirit that defines our school.

To our exceptional educators and outstanding education support staff, thank you for your unwavering commitment to fostering a love of learning and for inspiring our students to reach new heights. Your passion and dedication are the driving force behind the academic excellence we continue to achieve.

To our students, you are the heartbeat of our school. Your enthusiasm, curiosity and resilience have created an environment filled with energy and promise. We applaud your accomplishments and look forward to watching you continue to grow and thrive.

A special note of appreciation goes out to our supportive parents and guardians. Your partnership and involvement in the educational journey of our students are invaluable. Thank you for entrusting us with the privilege of nurturing and guiding your children.

As we reflect on the past year, we celebrate not only the academic achievements but also the moments of kindness, collaboration and community that make our school truly exceptional. Together, we have created a vibrant tapestry of experiences.

As we bid farewell to the 2023 academic year, let's continue to embrace the lessons learned, friendships forged and the collective spirit that makes our school community unique. Thank you for a wonderful year filled with growth, accomplishment and joy.

Wishing everyone a restful and rejuvenating break. We look forward to continuing our journey together in the coming academic year.
