

April Revision and Exam Preparation Program Monday 10 to Friday 14 April 2023

Teacher Profiles

Ms Amy Bennett – Maths Applications

Amy is currently working at Helena College. She recently delivered classes in Applications in the exam prep program on the Christ Church Grammar School campus in October 2022 and received a student approval rating of 98%.

Ms Emily Chater – Chemistry

Emily taught at St Stephens before going on leave. She is the author of commercial ATAR exam papers. Most recently she delivered Chemistry classes at Christ Church Grammar School in October 2022 and Hale School in January 2023, receiving a student approval rating of 96% and 97% respectively.

Mr Chris de Haer – Maths Methods and Specialist

Chris is teaching at St Mary's and was the learning area's department head. He has been a WACE/ATAR marker for a number of years and was on the examination panel for Applications in 2018. Chris recently delivered Methods and Specialist courses at CCGS in January 2023, receiving an average student approval rating of 99%.

Mr Craig Doyle – English & Literature

Craig teaches at St Hilda's and has delivered superior exam prep classes with MMA for a number of years. He has presented classes in essay writing, English, and ATAR English and Literature and student reviews consider him an excellent presenter.

Mr Lloyd Haskett – Economics

Lloyd teaches at Christ Church Grammar School where he is the acting head of department. In 2022 his students secured one exhibition and several certificates of distinction in the November ATAR exams. He delivered the exam prep program in October 2022 at Christ Church Grammar School. Students considered his presentation excellent.

Ms Jennie Hewitt – English & Literature

Jennie was the head of department at St Hilda's. She has current marking experience and in 2023 she is delivering programs in ATAR English and ATAR Literature in the Master Class program on the Christ Church Grammar School campus.

Mr Sean Nicoli – Maths – Middle School

Sean is currently delivering the middle school maths classes in the Master Class program on the Christ Church Grammar School campus. His most recent holiday programs were delivered in October 2022 on the Hale School campus, where he received an average student approval rating of 99%.

Ms Gemma Slater – English & Study Skills

Gemma teaches with the Department. She is a current WACE marker and has delivered seminars to both teachers and parent groups focusing on the relationship between the syllabus document and the examination paper. Gemma recently delivered exam preparation programs at Guildford Grammar School in July 2022 and received a student approval rating of 95%

Mr Shane Willshire – Human Biology

Shane is a teacher at Chisholm College. He delivered the exam prep program at Christ Church Grammar School in 2022 and the January holiday classes at Hale School in 2023. Student evaluations rated him as excellent.

Mr Jacob Marai - Physics

Jacob is the current head of department for Physics at Christ Church Grammar School. Jacob delivered the October exam preparation program on the CCGS campus in 2022 and his student evaluations rated his performance at 98%.

Mr Steve Smith – English & Literature

Steve is currently employed at Helena College. He has significant marking experience. Steve successfully delivered the Year 12 Literature class at CCGS in April 2022 with a student approval rating of 94%. He also delivered the October 2022 holiday revision program in English at Hale School to a large group and received an approval rating of 100%.

Mat Winter – Chemistry

Mat teaches at Mount Lawley Senior High School. He has significant marking experience. He delivered the October exam prep program on the Hale school campus and the student evaluations rated his performance as excellent. He also delivered the Chemistry classes in January 2023 on the Christ Church Grammar School campus and students rated his sessions at 93%.
