

PRESS RELEASE

GV Rail Club will hold Shepparton's 9th model railway exhibition at the McIntosh Centre (Shepparton Showgrounds), Thompson Street, on Saturday the 24th and Sunday the 25th of October 2015.

The opening times are Saturday 9.00 am to 5.30 pm and Sunday 10.00 am to 4.00 pm and entry costs are \$8.00 for adults, \$3.00 for kids and \$20.00 for families (2 adults, 2 children); no increase from our last exhibition!

There will be 17 train layouts originating from Benalla, Wodonga, Stawell, Melbourne, New South Wales as well as GV Rail Club and members. Static displays from Moira Miniature Railway and live steam locos, a prototype signalling display and "How To" demonstrations will round-out the show. For those bitten by the rail bug at the exhibition, six specialist stores and second-hand stalls will be present selling train sets and model railway goods so you can get your own layout up and running in no time. And for those interested in "big trains", 'Railfan' DVD's, magazines and books will also be available.

GV Rail Club members are proud to once again have Railway House of Echuca as Exhibition Patron. They are the regions' leading model railway and hobby shop so will have plenty of goods available at their stall on the two days of the exhibition.

Our past exhibitions have seen, on average, around 1400 very happy people passing through our doors and we host around 40 exhibitors from around the state and interstate over three days. We are looking forward to a larger venue this year and are sure everybody who comes along will enjoy the trains with us!

For further details, please contact Ross on 0407845247 or Max on 58218089, catch us on facebook [Goulburn Valley Rail \(G V Rail\)](#) or check-out our informative website www.gvrailclub.com
