Payment Information for LearningField

What is LearningField?

LearningField is a world-first Australian innovation that delivers curriculum-linked digital textbooks directly to teachers and students. With LearningField, teachers and students can select from a huge online library of textbooks from Australia's leading educational publishers. They can access these anywhere, anytime on a range of operating systems and devices: iPads, Macs, PCs, Chromebooks or Android tablets.

Your child's LearningField subscription

In 2018, Year 9 students at Northcote High School will be using LearningField to access digital textbooks for Maths, Science, Geography, History and Health & PE for \$185 per student, plus Mathspace Interactive for an additional \$34.50. Subscriptions are paid online at www.learningfield.com.au. Your school will provide students with the password required to access LearningField at the start of the 2018 school year.
