Around the Grounds

6A

Asked the boys to use the ball with composure and present up whilst not getting sucked into the contest. A competitive first half and then the boys used their space and pace very well on a hot day. Comfortable win in the end, another good team effort.

6B

Very hot conditions had the boys working hard this morning in another competitive game, great ground ball work but lacking a bit in the air ball contest. Big effort put in by all players.

6C

6D

Although the boys dug in the whole game, with Eddie keeping the back line in shape and Jasper controlling the mids with James Clark showing his strength on the field. It was a hard result for the boys against a very strong Laurie's team whose goal was all out attack. Although the result didn't go our way, this was a good lesson for the boys to bounce back and be better than ever in the next coming games.

5A

Back-to-back wins for the mighty 5As. Yet again I have been impressed but the team-first mentality of this group. No winging, no fuss attitude. A coaches dream. A plethora of players put their hand up for best on ground today, but it was Hugh Gallagher that caught the eye from the get-go. His goal sense and evasiveness were something to behold. Along with strong performances from George O'Brien, Rueben Els and consistent Maxy Wurf. Get excited for round 4 next week!

5B

The 5Bs faced today's game with determination and grit, despite being down a coach and only having one sub. They put up a tough fight, particularly seen in their victory in the second quarter. The boys prevented many goals with some well-positioned marks and plenty of pressure. Great effort from all.

5C

Today the 5Cs gave the St Pats' defence a good run-around with a phenomenal attacking effort. Our backs put great pressure on to ensure that the ball spent very little time near St Pats' goal. Overall, a fantastic effort and a well-earned win.

5D

The 5D AFL team delivered a courageous performance against Padua, going down by just two points in a thrilling 4.5 (29) to 4.3 (27) contest.

At half time, 5D trailed by 15 points after Padua capitalised on their opportunities in the second quarter. Despite the deficit, there was a strong sense of belief within the group. The boys lifted their intensity after the main break — their pressure increased, tackles stuck, and their ball movement became far more direct and composed.

The response was outstanding. Goal by goal, 5D worked their way back into the match before surging to take a four-point lead late in the game. The momentum had completely shifted, and the team's energy and voice lifted as they sensed a remarkable turnaround.

However, in heartbreaking fashion, Padua managed to break through with a late and decisive goal to reclaim the lead. Despite one final push forward, the siren sounded with 5D just two points short. It fell just short of the Lions' famous comeback against GWS — the belief was there, the fight was there, and the comeback was almost complete. While the result didn't fall our way, the character shown to overturn a 15-point half-time deficit and take the lead was outstanding.

The boys should be proud of their resilience, teamwork, and refusal to give in. If they bring that same determination next week, a win won't be far away.
