

Later this term during our MARC sessions, we are fortunate to have local Author Di Hickleton visiting each school. Di has written several books about her farm, Butleigh Farm and the animals on Butleigh Farm. Di had taught in local primary schools for many years before becoming an Author. Di's creative imagination and storytelling bring their farm and their 'quirky' animals to life.

Di is offering our students the opportunity to purchase her books at a discounted price. Please see the attached order form to place an order.

If you would like more information about Butleigh Farm and the many events and activities on offer, please visit butleighfarm.com.au

Author and Illustrator Di Hickleton will read one of her books from the Butleigh Farm series when she visits our school this term.
