PBS' #1 KID-FRIENDLY MUSIC EVENT

Fri 11 Sep, 11am

Darebin Arts Centre

For fans of the AM and a babycino or two, this one's for you!

This special Darebin FUSE Festival edition of Rock-A-Bye Baby will feature a performance by Cool Out Sun, bringing the good beats and good vibes!

Sensible J, N'fa F-Jones, Nui Moon and Lamine Sonko come together as Cool Out Sun, drawing inspiration from traditional Afro folk and Taaso, to Afro-Beat and Hip Hop.

Rock-A-Bye Baby is PBS' no-frills daytime concert experience designed for adults and kids alike. We welcome noise, encourage crawling, and expect dancing! Coffee, babycinos, tea, hot chocolates and snacks will be available to purchase at the venue.

This event will be AUSLAN interpreted.
