

Very soon the Responsible Pet Ownership Education Program is coming to visit my school.

The Pet Educator will bring their pet dog. I will learn how to be safe around dogs.

I want the dog to be happy at my school. I will use my inside voice and not sit or stand too close to the dog.

There will be lots of listening, singing, role plays and some dancing.

I will learn how to say hello to a dog.

Some of the class will be chosen to meet the dog.
