

Dear GNLC Secondary Families,

RE: Class Photo Day

We would like to advise you that class photos will be taken on **Monday 29 April**. This year all classes will have a class group photo and the individual photo taken early in Term 1 will also be available for viewing and purchase as part of the package provided by Arthur Reed Photography (ARP).

Through ARP, parents benefit from:

- Being able to design their own packages of photos with full customisation options
- See the images taken of their children BEFORE ordering
- Being able to PAY AFTER PHOTO DAY
- Receive discounts and special offers online
- Ability to easily share ordering codes between family members

Students will be provided with details on how to access the range of their photos to view, prior to the placement of an order should you wish to do so. Further details regarding the services of ARP are attached to this communication.

We require all students to wear correct uniform to ensure a consistent look across the college and that they are looking their very best! Secondary students are required to wear full **winter formal uniform**.

We ask for your support in making sure the following uniform guidelines are followed:
