

Matthews Netball Centre

Traffic, Parking and Pedestrian Information Sheet

This information sheet provides details relating to traffic and parking conditions at the Wembley Sports Park (WSP) for 2023. The information is designed to ensure all patrons have the safest possible experience getting into and out of the Matthews' Netball Centre, whilst being respectful of local residents and local parking regulations.

ENTRANCES FROM ROADWAYS

There are two roadways that provide access into the WSP; via the traffic lights at the intersection of Alderbury and Selby Streets or via the intersection of Allison Drive and Salvado Road with traffic control personnel.

DROP-OFF ZONE

The drop-off zone is on the southern fence line of Matthews', near the Gold Netball Centre and has been very successful enabling car and bus drop-offs. This area has strict guidelines to ensure it works well for all users. Please note the following:

- it is strictly drop off. Drivers must not leave their vehicle. Fines apply.
- it is "time restricted" to 2 minutes
- end-to-end parking only
- the bays are not designed for large buses - small buses will fit however it is still drop off only

PEDESTRIANS

Pedestrians should remain on designated pathways where possible and where provided use the crosswalk pathways. Please **DO NOT use the east entry as a drop off or pick up zone**. Vehicles entering the site from the eastern entry (Allison Drive) should park before allowing their children to disembark safely or use the designated drop-off zone near the Gold Netball Centre.

PARKING BAYS

There are a limited number of parking bays in the WSP so we encourage patrons to seek alternative transport whenever possible. Please avoid parking in non-designated parking areas. Town of Cambridge parking inspectors will be in the vicinity to enforce local parking laws on match days.

Football matches will also be played on the adjacent football grounds during Saturday afternoons and Friday evenings. Football has their own overflow parking area on Pat Goodridge Reserve. Please do not park in this Football Parking only area. The grass carpark near the round-a-bout is Netball Overflow Parking only. On Fridays, the grass carpark will be set aside for **CARPOOL ONLY** to assist those bringing players to their games.

PARKSIDE WALK RESIDENTIAL DEVELOPMENT

There is no netball parking within the new Parkside Walk residential development to the east of the courts. Please take note of these parking restrictions at all times.

ALTERNATE TRANSPORT

PNA encourages patrons to use alternate modes such as public transport, walking, cycling and car-pooling where possible. Use the bicycle racks at the entry gates and refrain from securing your bicycle to the fence as it limits safe access for pedestrians. Motorbikes also have designated bays on the east side of the site.

RESPECT OUR NEIGHBOURS

Please take care around the streets and be respectful of the local community by obeying traffic and parking signs. Allow a bit of extra time before leaving home, if you are able, to ensure that you arrive safely and park legally. Rangers receive a high number of complaints from residents when people park illegally in surrounding areas. Don't waste your money on fines. Protect yourself and respect the neighbourhood by adhering to all parking restrictions and planning your journey ahead.
