WHAT'S BEEN HAPPENING AT

O.S.H.C?

Traveling to the cartoon world and beyond!!

It has been amazing to see the creativity of the children drawing their own cartoons and ideas on a blank piece of paper. Drawing on a blank piece of paper is a powerful way for children's imagination and creativity to go as far as they take it.

We also made some cooking with the children. Children enjoyed creating their own colours for their Rice bubbles slices which were delicious.

Children worked collaboratively to make a spaceship control panel. While doing it, children and educators share their knowledge about the moon phases.

Children engaged in a range of physical activities such as basketball, Gaga and Cricket.

Big news from little reporters

One of our children came up with the idea to contribute to our newsletter. Check what he wrote!

Lately, it has been the play of Gaga. It has been amazing the bowling.

*It has been incredible how people have been playing in the sandpit. People have been doing tricky tramps on it. I just stood on them. :P
Asuna has been teaching us how to look after our trees.*
