# Market Stalls

## MARKET STALLS

Our wonderful Grade 5/6 Market Stalls are back again! During Term 3, the Grade 5/6 Inquiry focus was 'Market Mayhem'. Students developed their entrepreneurial skills in order to create a stall especially for the Rangeview Fair. After developing their business plans, marketing strategy, production (including cost, revenue and profits), the students finally had to pitch their business plans to 'Shark Tank', (the teachers). After careful consideration, we present to you at the fair the final products of our term long investigation. Please come and support our students amazing efforts to create their own business. These stalls will be *cash only*.

# Volunteering

*The Rangeview Fair promises to be a great community event for all ages. However, events like this are not possible without the help of our wonderful Rangeview Community. In order for this event to be a success, we need **a member from each family** to volunteer for at least one time slot.*

*There will be a meeting prior to the event for all volunteers to run through the days proceedings.*

*Please use the following link for the sign up sheets:*
