Good Shepherd School maintains policies, procedures and strategies to create a child safe environment in the following areas.

In addition to general Occupational Health & Safety risks the school proactively manages risk via a formal assessment process.

Code of Conduct

Good Shepherd School enforces a Code of Conduct for all staff members, clergy, casual relief teachers, volunteers, and contractors that clearly defines workplace expectations including professional boundaries, ethical behaviours and acceptable & unacceptable relationships.

This Code of Conduct aims to provide guidance and support to individuals so that they feel valued, respected and fairly treated. It is provided to any person engaged in 'Child Connected Work' and is available on the school website & in the Employee Handbook.

Recruitment, Support, Training & Supervision

Good Shepherd School adopts Administrative & Human Resource practices to ensure its screening, recruitment & performance management processes identify and engage the most suitable candidates for positions available at the school. Recruitment and screening processes, as well as Police and Working With Children's Checks are minimum requirements for those engaged in 'Child Connected Work'.

Staff Members are provided with regular development opportunities, support, supervision & training to assist with addressing child safety matters.

Responding to and Reporting Child Safety Concerns or Abuse

Good Shepherd School has appointed a Child Safety Officer, Margaret McCarthy with specific responsibilities for responding to reports or complaints made by any member of the school community relating to child safety concerns or abuse. The school's Child Safety Officer works closely with members of the leadership team, staff members, clergy, casual relief teachers, volunteers, contractors, students and the parent community to ensure Child Safety Standards are maintained and all child safety complaints, suspected abuse, disclosures or breaches of the Child Safety Code of Conduct are immediately addressed.

Where staff members have significant concerns for the wellbeing of a student or young person they are mandated by law to report their concerns immediately to the Principal, Child Safety Officer or a Members of the Leadership Team before contacting DHHS Child Protection. Staff members will be supported through all aspects of the reporting process.

The school's reporting & complaints procedure is located on the school website.

uncomfortable or afraid. Staff members actively encourages students & young people to express their views on matters that directly affect them. The school educates students and young people on strategies they can adopt if they feel unsafe.
