

What's been happening...

Dear St Augustine's community,

We hope you've had a great month! As we welcome our new newsletter writer, Oscar!

Now, let's get deeper to the best part!! Every OSHClub has something called an "Adventure Box", and it has a bunch of activity cards. Lately "The OSHClub Headquarters" has been making a new one, and Oscar is in it!! For our possum project.

Now, away from that to our worm farm!! Now our school has a worm farm and OSHClub is doing the maintenance for it. As each day when we eat, we have a scrap box. Any scraps go into the worm farm for them to eat.

Holiday Program bookings are now open!! Please book in as they are filling up fast!!

And that's all. Bye!!

**Leave a
spare hat
here at
OSH Club**

Coming Up

Mar 31

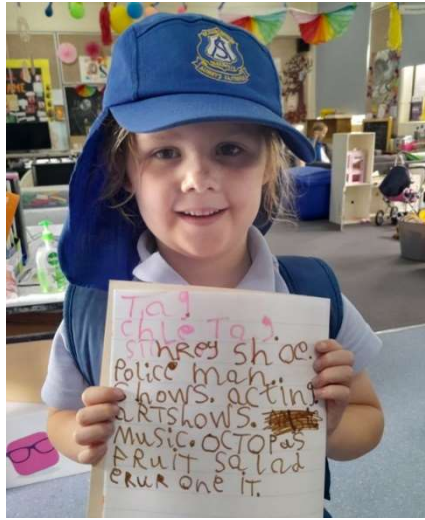

Easter

Apr 2

Holiday Program Starts

Mar 21

Harmony Day

Adventures ahead

Group Games as chosen by students

- Stinky Shoe
- Art shows
- Fruit Salad

News and Information

On Saturday, 16th of March, we will have an information stall at the St Augustine's Open Day between 12:00pm and 2:00pm.

Laura will be on her final teaching placement from until mid-way through Term 2.

We have been doing so much writing in OSH Club these last few weeks and students have been doing their homework most afternoons. This free's up their time with you, and they receive some help from educators and their peers while here at OSH.

On Friday's we have an "All You Can Eat" afternoon buffet of Fruit and Veggies. Book in!

Thank you and take care.
