

# ST JOSEPH'S CATHOLIC PRIMARY SCHOOL BULLI

## Student Leadership Policy and Procedures

---

### Purpose

St Joseph's Catholic Parish Primary School aims to promote the ideals of Christ that are reflected in our school motto: TRUTH and LIGHT. As a school community, we aim to create an environment that fosters dignity, compassion and respect.

In developing Year 6 students as school leaders in the school community, all Year 6 students take on leadership responsibilities and work within teams to ensure all students are represented and have a voice at St Joseph's.

In addition, the positions of School Captains, Vice Captains and House Captains provide opportunity for these students to develop leadership and representation skills through active participation in diocesan events, school functions, events and Masses. At St Joseph's Bulli, we expect our School Captains and House Captains to model responsible, respectful and safe behaviours. They are a student leadership team who support our Principal, staff and greater school community in delivering the school's mission and vision.
