What are pathways?

At Deakin we welcome you through many pathways, whether you're a school leaver or returning to study. If you haven't quite met the requirements to get into your dream course, pathways provide alternative entry options to help you get there.

Here's what your pathway to Deakin could look like:

Gain Recognition of Prior Learning

///.

DEAKIN

UNIVERSITY

All that work you did at TAFE & Deakin College will count towards your degree, as you'll benefit from Recognition of Prior Learning (RPL).

In fact, any previous study or work experience may make you eligible

for credit towards your Deakin degree.

To get RPL, choose a relevant diploma in a subject area that's related to the course you want to study at Deakin.

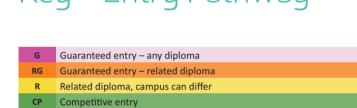

For example, you could get RPL for a Bachelor of Commerce by studying a Diploma in Leadership and Management, a Diploma in Accounting, or a Diploma in Public Relations.

We consider all university, TAFE and private tertiary education provider qualifications from Australia and around the world for RPL. You apply for RPL after you're accepted into the course.

Calculate your credit at deakin.edu.au/courses/recognition-of-prior-learning.
