

PARENTS & FRIENDS SOCIAL MEDIA GROUPS POLICY

The purpose of the Parents & Friends Association social media groups is to provide an online community for the parents throughout their journey at St Patrick's Mentone Primary school.

Our goal is for parents to have a forum for positive and helpful discussion, share tips and updates on school events and information that will help you and your family throughout the school year.

COMMUNITY RULES

- We encourage you to ask questions and share information regarding school events and activities, however please refer back to the school weekly newsletter as it is the main source of school updates and information.
