Policy

1. School profile

Wonga Park Primary School was founded in 1895 and is located in a semi-rural area, in the outer east suburbs. The school has a strong sense of community and works closely with other services within our community. In 2023 the school took over the management of Burch Memorial Kindergarten, also located in Wonga Park. The school is a BARR school (Bushfire At-Risk Register)

and is also the Neighbourhood Safer Place for the wider community, providing a last place of resort in an emergency.

The wellbeing of our students, staff and families is a high priority where the building of strong relationships and partnerships is a focus. We are a Tribes Learning Community, committed to creating a safe and caring environment where positive relationships are nurtured and students can thrive. The TRIBES Agreements underpin the way we live and learn together. The program is highly valued by our students, with our Grade 6s leading the fortnightly sessions designed to forge friendships and strengthen their understanding of the TRIBES Agreements. Authentic student leadership positions are promoted, offering young people the opportunity to develop new skills, be in service to their peers and make a difference.

As a learning community there are strong links between home and school. Families are supportive and involved as partners in their child's learning. There are many human resources, structures and programs embedded to support the wellbeing of everyone in our learning community, including initiatives such as the *Fathers of The Oak* (a group for our dads and children) and Friendology.

Our highly dedicated staff demonstrates a strong commitment to our values-based culture, continuous improvement and achieving excellence in teaching and learning. Committed teams of teachers at each level design engaging, flexible and authentic learning opportunities that are Digitally Technology rich, to explicitly teach the language, tools and strategies for students to engage in analytical, critical and creative thinking tasks and Challenge Based Learning projects.

We are proud of our diversity and inclusive school community. We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Wonga Park Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

We believe that our students have the right to feel respected, happy, safe, secure and successful. We believe that a positive approach to behaviour is the best means of fostering a climate wherein these values can be exercised and developed. The school values and Tribes process are embedded throughout the school to promote strong student engagement, inclusion, sense of belonging and other positive behaviours.

Our statement of Values is available [online](#).
