23rd May- Happy Birthday Mila Z

24th May- Happy Birthday Kiaan!

25th May- National Sorry Day

27th May- Reconciliation Week Commences

OUR TK UPDATES

Over the past few weeks, we have loved launching our Term 2 clubs and seeing the children enthusiastically engage in a range of new experiences and activities.

Our Loom Band Club has been a wonderful success, with children demonstrating creativity, persistence and collaboration as they create a range of colourful designs and bracelets. In Rainbow Art Club, the children have been exploring all things rainbows through a variety of bright and creative art experiences while learning about colour and self-expression. Super Sports Club has also been a favourite, with children building their teamwork and coordination skills through basketball games and activities.

This term, we have also launched our TK Big Skip Challenge! The challenge encourages children to get active, build confidence and have fun through skipping activities across the term. It has been fantastic seeing so many children eager to participate and practise their skipping skills with friends before and after school.

Staffing Updates:

Laura has recently returned from her teaching rounds and thoroughly enjoyed the experience. Anthea has also been completing teaching rounds over the past few weeks and we look forward to welcoming her back to the service next week.

MEDICATION REMINDER

A friendly reminder to please ensure that any required medication, medical management plans and action plans for your child are current and provided to the service. This helps us to continue supporting the safety and wellbeing of all children in our care. If you are unsure whether your child's documentation is up to date, please speak with a member of the team.
