Guaranteed ATARs

A Guaranteed ATAR enables you to plan and list your course preferences with confidence. This means that you have complete transparency when choosing your courses and can make informed decisions about your future now. To find out more and see if your degree has a Guaranteed ATAR [click here](#)

Combined Pathway Program

A combined TAFE to University Program program gives students a direct pathway from TAFE to a university undergraduate degree. Year 12 graduates can start to apply their university journey with a TAFE Diploma and progress into a related bachelor degree.

Do you already have a TAFE Qualification? You can use your TAFE qualification to apply for a bachelor degree with up to one year of course credit. For more information on programs with combined pathways, [click here](#)

Campus Tours & one-on-one advice

Whether you are after some guidance on possible study options or are looking to get the feel for student life by visiting our campuses, our friendly future students' team are always here to help. To book a campus tour or virtual consultation [click here](#)

[International students can book a one-on-one consultation here](#)

Want to know more?

Tune into our Fed Future Webinar series where we talk to teaching staff, current students and alumni on their courses and what to expect during your studies.

Work Integrated Learning and Industry Placement Program

Our industry experience programs allow students to boost their employability and have led us to be consistently ranked #1 for graduate outcomes.

Across all programs and courses at Federation, students have the opportunity to participate in Work Integrated Learning (WIL), industry-based projects and Federation's Industry Placement Program (IPP) where students undertake a placement of up to 26 weeks with a host organisation in the same field of their studies. For more information on career support for students or to hear some stories of students who have undergone placement - [click here](#)

Federation Scholarships

You can register interest and apply through the Federation website for:

- Fed Excellence Scholarship \$5,000
- Fed Industry Scholarship \$42,000
- Fed Success Relocation Grant \$5,000
- Fed STEM Women Scholarship \$4,000
- Fed Ignite Scholarship \$4,000

To find details of the scholarships and grants, and start an application, [click here](#)

Call us to talk about your preferences and course opportunities.
