TAFE NSW START YOUR FUTURE

Initiative objective

TAFE NSW Start Your Future is an initiative of the NSW Government and part of the NSW Department of Education's Educational Pathways Program.

CONNECTING YOUNG PEOPLE WITH VOCATIONAL TRAINING

TAFE NSW invites you to come and be part of the TAFE NSW Start Your Future program.

- Try new skills
- Discover career opportunities
- Navigate a new environment
- Explore your potential
- Discover what you want to do after school

REQUIREMENTS:

- Students must be attending an EPP school and meet the participant eligibility requirements including being 15 years of age
- Students who have previously participated in the TAFE NSW YES program or previously known YES+ Program, are eligible to enrol into TAFE NSW Start Your Future and may participate in more than one program depending on availability of spaces

PLEASE NOTE:

- TAFE NSW Start Your Future students can access the same student support services as other students enrolled at TAFE NSW. This may include mentoring, counselling, careers advice and learner support. These services may be scheduled within the program delivery time or external to it
- To ensure a student's suitability for the TAFE NSW Start Your Future program, relevant documentation must be made available to TAFE (at the time of registration), for students with a history of violence, a health and wellbeing plan, or a student management plan
- The list of programs is tentative/proposed at this stage. The dates and sessions are subject to confirmation of delivery numbers and may be subject to change. Programs normally run from 9 am to 3 pm

Do students need to pay a course fee? No, the TAFE NSW Start Your Future initiative is provided to the student at no cost.
