Around the Grounds

6A

The 6A boys dropped their first points of the season to a strong Laurie's squad with a 1-1 draw. Despite Laurie's coming out the gates the stronger side, coming into half time 1-0 up, we found our feet in the second half. A lovely headed goal from Tom Cramp secured a point and saved what could have easily been the team's first loss. As with each week, lots of lessons to be learnt, but notable improvements too.

6B

11AM kick off for the boys was a major difference to the boys this week. Sun was belting out on the Astro turf making it difficult for the boys to get in a rhythm. Boys conceded a quick goal just two minutes into the game and leading into the second half Laurie's added a second. The boys kept at it, shot after shot at the Laurie's goalkeeper who had a good game. Unfortunately, with this pressure Laurie's just weren't crackable. Adding a third then shortly a fourth. It wasn't our day. Full credit to the boys however, never dropped their head in the slightest. Boys are keen to get over this rut this weekend against Eddie's.

6C Blue

The Marist 6C Blue's got it done again early Saturday morning. In an exhilarating game of back-and-forth football, the mighty Marist side notched a 2-1 victory over a skilled 6C St. Laurence's team. The game started off slow-paced, both teams relatively evenly matched. Both Marist and SLC had numerous shots, however, nothing came to fruition. A series of unfortunate events led to SLC scoring a penalty deep into the first half. With a bit of luck, we were able to escape unscathed and the score remained nil all.

After an onslaught of relentless attack, Declain Baines managed to find the back of the net from an excellent corner cross, putting the Marist men in the lead 1-0. The second half was much of the same arm-wrestle. Both teams went back and forth with possession, struggling to break through each other's defensive lines. Laurie's unfortunately won that battle early on, converting an excellent opportunity to even the score.

I was worried that a few boys might drop their heads after seeing this, however, much to their credit, the team rose to the occasion. We played fiercer and more aggressive, dominating the ball all through the back end of the second half. Ross, with an immaculate display of finesse, scored the game winner only a few minutes before the final whistle, securing yet another win for the Marist 6C Blue team.

What stood out to both Reaghan and I were the effort plays the boys are beginning to implement into their gameplay. We spoke about second efforts at training this week and it's a joy to see the boys actively attempting to adopt this as part of their play style. Very pleased with how the boys are tracking overall and am keen to see them back at training this week. Keep it up boys!

6C Gold

The boys arrived at 7:45 for their game against Padua ready and raring to go, the excitement could be seen on the face of all players. This excitement transferred to the pitch in the first half where the

boys played their most dominant style of the season so far, taking the lead through Chandler then doubling through Finn. Past halftime the boys needed to play a more defensive minded way as Padua came out and instantly put pressure back on by scoring a goal to make it 2-1. However, the boys stood tall and held on and came away with a valiant win

6D

The match finished in a 1-1 draw after a hard-fought contest. Despite creating plenty of chances, the team just couldn't find the winner. Defensively, they were solid all game, staying organised and composed under pressure. Harmon Sidhu was a standout in midfield, controlling the tempo and playing a key role in setting up attacking moves. While the result could've gone either way, it was a strong performance full of effort and intent.

6 Violet

The boys were keen to get back into the win column after a close draw last week. We came out strong with a very attacking opening half, having a larger than usual volume of shots at goal which ultimately led to a couple goals. Our defensive line held strong all game, only letting a few shots at goal which were all saved by our keeper. Was great to walk away with another win and as a group we are looking forward to keeping this trend

6 White

After a draw at this venue last week, the team were excited to fight for their first win. Due to smaller numbers, Tom and Ross from the C's helped us out this week, and both did a great job in goal.

The game was neck and neck for the entire first half until Laurie's were awarded a lucky goal. We went into the second half fighting to come back, and quickly equalised through Orlando, who made a great run behind and put it past the keeper.

The high stakes final 20 minutes saw a number of ridiculous saves from both keepers, and a number of great stretches of play. Eventually, the final whistle blew, and the spectators and players could finally breathe. This was another great performance from the boys who should be very proud of how far the team has come, and eager to keep hunting for their first win.

5A

Excellent attitude, never gave up

5B

With 5-6 players out, Grade 5B faced one of their toughest opponents at Laurence's — and came away with a hard-fought 2-1 victory!

Big thanks to Daniel and Dylan from the C and A teams for stepping up and playing strong. Special mention goes to Quentin, our Man of the Match, for his rock-solid defence and key saves as goalie in the second half.

A true team effort and a win to be proud of!

5C

Tough day at the office for the 5C boys. We had Daniel on loan for the Bs, Dylan unavailable and our captain Jack injured 7' into the game. That resulted in our team having no subs and the Laurie's team had 5 subs. We had an excellent first half, we were 3-2 down in a very close game but the second half we got tired on a very hot day and there was nothing we could do to stop them. As we said to the boys after the game, we were very proud of their effort, everyone gave 100% and sometimes, in sport, giving 100% is not enough. Credit to a very strong Laurie's team who much stronger on the day. I would love to play this team again with a full squad! Back to the drawing board.

5D Blue

On a scorching day that felt more suited to the beach than the pitch, Marist 5 Blue took on St Laurence's in what turned out to be a tough but competitive encounter.

Despite the heat, both teams came out firing, and the first half was a tight contest. We had a few good chances, pressing high and moving the ball well at times, but just couldn't quite convert. St Laurence's took their chances when they came, sneaking in a couple of soft goals that we'll be kicking ourselves about.

The second half saw much of the same – solid effort, some promising build-up play, but we struggled to break through a disciplined defence. We did manage to find the back of the net, which was well-deserved, but ultimately went down 3-1.

A special shout-out to Gus Scuderi, who earned Man of the Match for his relentless effort and running all game. In tough conditions, he never stopped working and gave us a lift when we needed it.

Plenty to take away from the match, and with a bit more composure in front of goal and tighter defending, the result could have gone another way. On to the next one!

5D Gold

The boys worked hard to secure an early lead with the majority of ball been played in our opposition's half. Going into the break 1-1 having leaked a goal from Padua's first attacking chance we were ready to make the most of our opportunities. With a few saves from our keeper and teamwork we did just this, ending the game 4-1.

5 Violet

A great effort by the 5 Violet team in today's game against Villanova with a 1-1 draw.

A tough team today though we held our ground with the help of some great saves in both halves by MVP Christopher Pollard keeping them to only one goal. And another great effort at our end by Ryan Noronha, again dribbling past a number of the opposition to score our one goal.

A special mention also goes to fellow MVP Sam F. Following our training session on Thursday where we focused on smart plays such as kicking the ball out of bounds on defence to let our team get back, Sam Fernan used these skills to make some very important defensive plays and prevent the opposition from attacking our goal.

Well done lads.

5 Red

In an exhilarating match, Marist's 5 Red Football Team showcased outstanding teamwork and an evolved tactical approach against the St Laurence's 5G Team securing a commanding 6-0 victory. Our defensive performance was exceptional, led by a sharp and responsive first line of defence featuring Ollie Davis, Andre Dua, and Sam Herrera. This solid backline laid the foundation for dominant possession, creating numerous scoring opportunities. Even more impressive was the display of true sportsmanship from our gentlemen—gracious in victory, never boastful, and always humble.

A big congratulations to our Man of the Match, Harry Carter, who netted several goals—including a spectacular strike straight from a corner that would have made David Beckham proud. Shoutout as well to our other goal scorers: Will Merritt, Eddie Porter, and Freddie Barber.

A heartfelt thank you to our Marist supporters for bringing energy and a strong sense of community to the game. Go Team!
