

THE
HAMILTON
AND ALEXANDRA COLLEGE
FOUNDATION

FROM THE PRESIDENT OF THE COLLEGE FOUNDATION

22 July 2026

Dear College families,

Since 1992, the Foundation's mission has been: *To honour the past and secure the future of The Hamilton and Alexandra College, enhancing a culture of giving and raising funds by implementing strategic philanthropic initiatives to provide the best opportunities for all students.*

The Foundation Board is pleased to share a short update with the school community.

In 2025, the Foundation raised \$186,346 for scholarship funding and \$83,505 for building funding.

Mirranatwa campus

The Foundation is excited to be working closely with the College Board to launch a capital building program for the Mirranatwa campus. The building design is currently going through the rigorous review process with the local council and bushfire authorities, and we are excited to keep you informed over the coming months.

Bequests

We received confirmation earlier in the year of an impactful bequest intention. We are grateful to this donor for sharing their intentions and now we are working together to ensure their generosity is stewarded in the manner that they have requested.

Global bursary program

Several students received assistance to participate in overseas trips through the Foundation's global bursary program. Dr Horne is committed to providing opportunities for international and local cultural engagement so that College graduates arrive in a world they are comfortable in and knowledgeable about.

Cocktail event – Friday 6 November

The annual Foundation event to celebrate 'The Gift of Giving' and acknowledge Gold Life Members, will be held on 6 November. These events are always special, enjoying time together as a passionate group of College ambassadors.

If you would like to join the Foundation, a minimum donation of \$500 is required and can be made towards scholarships or building projects.

The Gift of Education

To make a tax-deductible donation to The Hamilton and Alexandra College Foundation, the details are:

The Hamilton and Alexandra College Scholarship Fund: BSB: 633 000 | Account: 184 400 984

The Hamilton and Alexandra College Building Fund: BSB: 663 000 | Account: 184 401 081

Donations of any size make a difference to College students, now and in the future.

In the words of an Old Collegian and scholarship recipient, Sarah Edwards - Class of 2012, now a lawyer in the Northern Territory

"There is nothing more powerful than providing an education that enables young people to realise their potential."

Thank you for your consideration.

Best wishes,
