March 2022

Dear Primary Parents/Carers

This year, your child/children will have the opportunity to participate in **one or more** Sporting Gala Days depending on availability. The aim of these Gala Days is to encourage participation in a fun and enjoyable atmosphere.

To ensure your child has the opportunity to participate in their preferred Gala Day we are asking that Stage 2 students nominate their preferred Gala Days by placing their 1st, 2nd and 3rd preference in the boxes provided. Some children may not wish to nominate for any Gala Days and therefore you need only tick the first box.

It is hoped that all children have the opportunity to participate in at least one Gala Day. Teams will be formed from the nominations so please discuss the nominations with your child as once a student is selected for a Gala Day it is an expectation that they will attend.

If your child is selected to participate in a Gala Day, a permission note will be sent home via Compass in the weeks prior to the event outlining relevant information. Please note that the cost of Gala Day attendance is in addition to the 'Activities' fee on your school fee statement.

Please return the nomination slip to the school office by **Monday 7 March 2022**.

Regards
