

# Cheltenham East Team Kids NEWSLETTER

## WHAT'S BEEN HAPPENING

Dear families,

We hope this newsletter finds you well. It's been an exciting week at Team Kids, and we're thrilled to share all the wonderful activities and adventures that our young explorers have been a part of.

**Pupil Free Day Fun:** On our recent Pupil Free Day, children had an absolute blast! They became little culinary artists. Together, they made their own chapati, learning about teamwork and the joy of cooking. Their enthusiasm and creativity shone as they created unique patterns using their imagination. **Cupcake Extravaganza:** Our little bakers did it again! This time, they embarked on a cupcake adventure, learning to read recipes, measure ingredients, and work as a team. The result? Delicious banana and oats cupcakes that disappeared in no time. The smiles on their faces told us how much they loved it! **Time Capsule Adventure:** In a heart-warming activity, we created a time capsule. Each child wrote down their hopes and dreams for the future, placed them into a special container, and buried it in our service yard. It's a reminder of the dreams we hold dear, and we can't wait to see what the future holds for these amazing kids.

### Upcoming Adventures:

- World Kindness Day:** To celebrate World Kindness Day, we're spreading love and positivity by creating love hearts with kindness quotes. It's all about sharing kindness and making the world a better place, one heart at a time.
- Cool Treats:** With the summer heat upon us, we're cooling down by making mini ice lollies. Children will have a blast creating their refreshing treats and enjoying them on hot summer days.
- Shrek Green Smoothie:** We're turning our afternoon green with a Shrek green smoothie adventure. It's not just delicious; it's also packed with goodness to keep our young adventurers energized and healthy.
- Volcano Science:** Get ready for some scientific surprises as we explore the exciting world of baking soda and vinegar volcanoes. We'll uncover the science behind the eruption and learn something new together.

If you have any questions or would like to get involved in any of our activities, please don't hesitate to reach out. Together, we're making every day an adventure!

Warm regards,  
Eric, Director of Team Kids Before and After School Care
