Comments

Well done [redacted] I thought you had a good understanding on tone and spoke quite clearly and well-paced throughout. For Term 4, ensure that your arguments flow on from each other effectively by using cohesive devices. On top of this, ensure you pick the best material possible to reinforce your main idea.

Assessment in Student Café and Parent Lounge

Alternatively, upon selecting an uncompleted Assessment, Students will instead see **two upload boxes under Activity Files***. After Attaching their files, students select the **Green Button to upload and mark this assessment as complete.**

Parents cannot upload Assessment and will see nothing.

If a mistake has been made **after submitting but before the Due Date,** Students can select the **Red Button** in the top right of the screen to **reopen the completed submission.**

This allows them to remove, attach more files, or resubmit, if necessary. Ensure to select **Complete Activity** once finished.

* - Some Assessments have no upload or are submitted elsewhere. Consult your Teacher if you are unsure.
